

Carl Mackley Apartments Adds Neighborhood Network Center

Altman Management Company is proud to announce the addition of a Neighborhood Network location at Carl Mackley Apartments to the already 1400 centers across the country helping to improve the quality of life for their residents.

HUD created Neighborhood Networks to encourage property owners to establish community technology centers in HUD-insured and assisted properties. The NN provide job training and placement, creating employment and educational opportunities, advancing literacy programs and providing access to healthcare information and other social services, and of course, fun, games, art, cooking recipes and so on.

This year marks the fifteenth anniversary of the program.
